

Re: Nut Allergies

Dear Parents/Guardians

This letter is to inform you that several children and a member of staff have a severe food allergy to peanuts/nuts. It is important that there is strict avoidance to this food in order to prevent a life-threatening allergic reaction.

We are asking for your help to ensure we provide our children with a safe pre-school environment. Any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment.

To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to the pre-school with your child that will be eaten during the lunch time session. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school. We appreciate your support of these procedures.

Please complete and return this form so we are certain you have received this information.

If you have any questions or concerns please speak to Tamlyn Rodrigues, the Setting Manager or myself.

Kind regards

Charmaine Walker
Business Manager
Hackleton Preschool

Return Slip:

I have read and understand the peanut/nut free pre-school procedures. I agree to do my part in keeping the environment safe for everyone from nuts/peanuts
